There Are Many Ways to God

Introduction

Do you know someone who's seen Bigfoot's tracks? What about Nessie in Loch Ness? Of course, almost every child has learned that there really are alligators in the sewer.

You know how it goes: someone sees something and tells someone else, who then tells someone else. On and on it goes, until it's hard to separate fact from fiction.

This doesn't just happen with alligators and Bigfoot ... it happens with spiritual truths as well. Join us each week as we separate fact from fiction and debunk spiritual myths.
