Southwick, Massachusetts

I MY CHURCH!

Part 5: Consecrate

OUR MISSION

**Bring the maximum number of people possible
into a relationship with Jesus Christ.**

OUR VISION

**We are creating
one of the great churches of the 21st Century**

*We're a unique church for the "unchurched"
where the timeless message of Christ
is communicated in a contemporary style.*

**We are shaping
a one of a kind environment for children and teens.**

*We're a unique place where young people
can discover and share the love of Christ;
where self-esteem is nourished and faith is nurtured;
where kids with bright eyes and scuffed-up knees
are invited into the open arms of Jesus.*

**We are
building leaders and multiplying ministries.**

*We're multiplying our impact by equipping leaders,
transforming members into ministers,
and organizing an army of volunteers.*

OUR VALUES

**Bible-based
Christ-centered
Love-permeated
Outreach-oriented
Culturally-relevant**

LIFETIME GOALS

By the grace of God, I will ...

- 1. Strategically use my life to reach the maximum number of people for Jesus Christ.**

There is no higher accomplishment than bringing eternal life to another human being. Therefore, I will strategically use my life to bring the maximum number of people possible into a relationship with Jesus Christ. If one individual is welcomed into heaven because of something I have said or done, I will count my life a success.

- 2. Be God's instrument for building a church for the unchurched.**

I will allow God to use me to shape a church that will attract the unchurched majority to Jesus Christ. Though the desire of my heart is to leave behind a dynamic congregation, I will serve God in whatever capacity He chooses, be it wielding a broom or filling a pulpit.

3. Build a magnificent marriage and a loving family.

I will build a close-knit family, filled with love and laughter. My relationship to my wife and children will be second only to my relationship with God.

4. Take hold of the joy and opportunity in each day God gives me.

This is the day the Lord has made: it is a unique gift that will never come my way again. God gave me this day for a purpose. Whether the duties of the day appear important by human standards or trivial, I will recognize that each day is pregnant with possibilities of eternal consequence, rich with opportunities for enjoyment, and packed with people to love.

***Your eternity is being built
right now.***

The
I  **MY CHURCH**
Promises

Celebrate

I promise to celebrate weekly in worship celebrations that challenge and encourage me.

Cultivate

I promise to cultivate personal growth and ministry.

Communicate

I promise to communicate Christ's invitation to my unchurched friends.

Commit

I promise to commit my heart and resources to Christ's Vision.
