Part 3: By This Time Next Year

We all face challenges that look permanent. We think, *This situation will never turn around. This dream – this goal – is a long way off.* It's easy to get discouraged and accept that it's never going to work for us.

But what we can't see is God working behind the scenes. What He has planned for our life – everything He's promised – He still has every intention of bringing to pass.

It may seem _____.

"By this time next year, you're going to be holding a son in your arms." (2 Kings 4:16)

You cannot give God something without God giving you more back in return.

God can give you _____.

Just because you don't see a way doesn't mean God doesn't have a way.

When you're always being a blessing, God will make sure you're always blessed.

It's going to _____!

You might say, "That's not possible. That's never happened that way before." But God has the final say.

Instead of saying, "No way!" Say: "It's going to happen!"

Instead of saying, "I give up," say ...

You can't _____!

Maybe you will be like Joseph in the Bible. What looks like a stumbling block is a stepping-stone to the next level.
