Living with Enthusiasm

“Be aglow and on fire!
Serve the Lord enthusiastically!”
(Romans 12:11)

**Don't just go through the motions.
Have some enthusiasm!**

Learn to live with enthusiasm and be excited about the life God has given you. Make a decision that you are not going to live another day without the joy of the Lord in your life; without passion; without being excited about your life. Believe God has good things planned for you in the days ahead. Even more, savor each day by living in the moment and enjoying it to the hilt!

Understand that you don't need to have something extraordinary happening in your life to be excited. You may not live in the perfect environment or have the perfect job or the perfect marriage, but you can still choose to live each day with enthusiasm. As Scriptures says, “Never be lacking in zeal. Be aglow and on fire! Serve the Lord enthusiastically!” (Romans 12:11)

**Enthusiasm makes the mundane miraculous
And the ordinary extraordinary!**
